## PROFILE

I'm a Business Finance major with a Music minor at Mississippi State University, blending experience in finance, leadership, and entrepreneurship. From a nonprofit finance internship to serving as VP of my fraternity and launching my own brand, I've built a track record of discipline, adaptability, and drive. I'm pursuing opportunities in finance, music, and branding.

## EDUCATION

Bachelor of Science in Finance

May 2027

Mississippi State University, Starkville, MS

Minor in Musical Arts

## WORK EXPERIENCE

Founder, Huff Pants - Starkville, MS

Jan 2025 – Present

- Secured \$3,000+ in grants through Mississippi State University entrepreneurship center.
- Managed inventory, cost tracking, and logistics for physical products
- Executed field testing in outdoor and active environments

Vice President of Chapter Operations, Sigma Phi Epsilon — Starkville, MS

May – November 2025

- Managed end-to-end housing operations for a large residential property, including lease execution, rent collection, and payment plans
- Oversaw vendor and service operations, including private chef coordination, meal planning, and day-to-day facility standards
- Led emergency response and remediation for multiple flooding incidents and structural failures, restoring safe living conditions
- Directed facility upgrades, including a full theater room remodel, from planning through execution

Finance Intern, Fuse Project - Mobile, AL

May – August 2025

- Developed a Budget vs. Actual financial report improving decision-making accuracy.
- Produced grant application video contributing to a \$10,000 funding award
- Attended nonprofit summit, gaining insight into regional community impact strategies
- Volunteered at school summer camps, engaging directly with children and community members to support Fuse Project's mission.

Student Audio Engineer - Starkville MS

Feb 2024 – Present

- Provided backstage audio support and mic'ing for nationally recognized speakers and touring artists, including Tim Tebow and Zach Top, handling pre-event sound checks and on-site troubleshooting
- Supported live event setup and teardown under strict time constraints in physically demanding environments
- Transported, staged, and tested AV equipment for performances
- Worked on-site during events, responding quickly to technical issues

Wakeboard Cable Park Operator/ Instructor – Fairhope AL

May – August 2025

- Instructed children and beginners in wakeboarding techniques, promoting safety, confidence, and skill development.
- Operated the cable system and ensured proper gear fitting to maintain safe and efficient park operations.
